DOMINANCE REDEFINED.

Achieving what others cannot begins with doing what others will not.

Respect the commitment. Demolish the mold.

Push the human body past its limit. And then give even more.

†Per 3 tablets

^An 8-week randomized, double-blind, placebo-controlled study of 118 healthy men participating in a supervised resistance training program showed that those taking MyoTOR® had significant increases in mean upper and lower body strength after 8 weeks vs. those who took a placebo with the same exercise. Improvements in strength were seen in as early as 2 weeks.

KEEP OUT OF REACH OF CHILDREN
Store in a cool, dry place.
