

PRO PERFORMANCE[®] ESSENTIAL AMINO COMPLETE

RESULTS

Essential amino acids (EAA), including branched chain amino acids (BCAA), cannot be made by the body and therefore must be obtained through your diet. These amino acids are crucial to lean muscle maintenance and for helping to reduce muscle protein breakdown. Essential Amino Complete contains 5 grams of BCAA in an optimal 2:1:1 ratio to support protein synthesis, plus an additional 5 grams of EAA for muscle recovery and electrolytes for hydration.*

QUALITY

Essential Amino Complete is tested and certified Banned Substance Free.[†] It tastes amazing, contains no sugar and mixes easily with a simple stir, shake or blend.
