INO WE ARE In 1983, Animal was founded with the birth of Animal Pak, the venerable training "pack" the arted it all. Born from the real needs and desires of professional bodybuilders, Animal has grow odigiously over the decades. Today, as yesterday, the name Animal stands for trust, integrity and a unique nonsense approach to the game. Animal also represents a group of products that have stood the test me, proven again and again in the labs, and in the trenches where it counts most... The gym and the stage edicated to serious nutrition for the serious athlete, Animal is your choice when it comes to complete an omprehensive supplementation. Animal. The choice of champions. WHAT ANIMAL CUTS® IS Rippe peeled. That's what Animal Cuts is all about. When you want to get shredded, a plain old "fat burner on't do. Well Animal Cuts ain't a fat burner. It ain't a thermogenic. It ain't a diuretic. Or a metabolic... It I of these wrapped up into one. Having onion-thin skin is not about just getting rid of the fat, it's also the later. Water is what'll keep you looking soft and putfy, even with a low bodylat percentage. So if you giving for a complete cutting stack, and not just a genular thermogenic, this is your choice. Animal Cuts.
